

# THE GLOBAL COMPETENCIES INVENTORY

## Group Feedback Report

Group ID: GCI Group Report  
UserName:

Date: Wednesday, 14 September 2011  
Form: Version 3.1

This group report is based on research using normal adult samples and provides information on dimensions of global and intercultural competency for the combined members of the target group. The aggregate information in this report should be viewed as only one source of evaluation and no decisions should be based solely on the information contained in this report. This group report is confidential and intended for use by the group administrator and his or her company only.

**Group Feedback Report**

The table below gives the combined distribution of GCI profile scores for all individual respondents in the given Group ID. The numbers in each of the table's cells represents the total count of persons with GCI profile scores that placed them at the given levels of "Low," "Moderate" and "High" across the 16 sub-scales and three broad dimensions.

	Low		Moderate		High	
	1	2	3	4	5	6
<b>A. Perception Management</b>						<b>5</b>
